

GOVERNING BODY REPORT TO PARENTS

For the 2018 - 19 Academic Year

www.halfwayschool.org

Dear Parent/Guardian

The Governors are pleased to be able to report on yet another busy and successful year. Mr Colin Evans, our Headteacher, retired at the end of the academic year. We would like to take this opportunity to thank Mr Evans for his dedication to the school over the past twenty years. Under his guidance, the school has prospered both in terms of academic achievements and the refurbishment to school buildings, which was completed in 2011. We wish him well in his retirement.

We are pleased to announce that our Deputy Headteacher, Miss Jayne Thomas has been appointed as our new Headteacher, and a new Deputy Headteacher, Mr Rhodri Jones has also been appointed.

We are very fortunate to have a Governing Body with a wide range of skills and experience who work very closely with the Headteacher and staff to ensure that Halfway Community Primary School offers the best education possible for our pupils. Each year our priority is to build upon our successes, identify our weaknesses and prepare an action plan in order to ensure that our school continues to improve and move forward.

The Governors work closely with our team of committed staff to review and evaluate our school's progress and plan future priorities. The Governors set and oversee the various policies that guide the school towards fulfilling these aims and objectives. The Governors are most appreciative of the staff's willingness to partake in additional training activities and this too complements school life.

We are very fortunate to have the support of a superb PTA and the range of resources we have in school is greatly enhanced by their hard work and fundraising. We are always grateful to all those who help in school on a voluntary basis. Your contribution enhances the children's education greatly.

We hope that you find this report of interest.

Mr H. Griffiths

Chairperson of Halfway Community Primary School Governing Body

SCHOOL PROSPECTUS

Available on website

STANDARD ADMISSION NUMBER

The standard admission number for Halfway School Nursery is 30.

SCHOOL SESSION TIMES

	<u>Morning Session</u>	<u>Afternoon Session</u>
Early Years:	8.55a.m. – 11:30a.m.	1.00p.m. – 3.05p.m.

School Crossing Patrol Mrs. A. Davies

2018/2019 Pupil Attendance Data

Our total attendance was 93.82% (5.27% authorised absences and 0.91% unauthorised absences)

Our school target for the year was 95%. The Welsh Assembly Target was 95%

For the next academic year we are again looking to improve our attendance to achieve 95%

A letter from the Director of Education and Information Leaflets about attendance has been placed on our web site in the **Attendance Section**.

Please note that all registers are now recorded electronically and if an absence is not reported you will be contacted by the school to explain why your child has failed to attend.

It is imperative that parents communicate with the school in respect of any absences on the first day.

School Improvement Plan

Governors are responsible for drawing up (in conjunction with the school staff) the School Improvement Plan. The plan identifies the direction the school will take over a three year period in delivering the curriculum. The plan is regularly monitored and revised to take account of progress made and any changes in curriculum requirements.

The main priorities for 2018/19 were:

1. To raise standards in Literacy
2. To raise standards in Numeracy
3. To further improve Welsh 2nd Language / Bilingualism (ESTYN)
4. Well-being including improved attendance figures and achieve 95% by July 2019 (ESTYN)
5. To further develop the Monitoring process in order to improve teaching & Learning and assessment arrangements (ESTYN)
6. To further develop the implementation of the Digital Competency Framework
7. To further develop Foundation Phase ethos and outdoor learning

It is the school's policy to discuss new initiatives and the implementation and delivery of curricular schemes of work with classroom teachers, subject coordinators and the Headteacher. Members of the governing body each have delegated responsibility for an individual subject area across the curriculum and make visits to school each term.

Standards of Teaching and Learning

In relation to support and challenge, the school has been categorised as 2B. The Challenge Advisor, SLT, and staff systematically monitor the standards of teaching and learning and analyse data. The school has implemented a systematic approach to Performance Management.

As in previous years, the school has received financial support from EIG funding. The grant is used to augment the Professional Development of staff and for special developments in the School Improvement Programme. A termly list of training courses attended is presented at each Governing Body Meeting.

Additional Learning Needs (ALN)

Children receive additional support from the teacher and teaching assistants who work with children in small groups and on an individual basis.

The school's ALN Policy is continually evaluated and reviewed and arrangements are made for both teachers and support assistants to attend training courses.

While at Halfway Community Primary School, the progress of each child is closely monitored. If at any time your child needs extra support we will inform you as parents, and put in place an Individual Education Plan. Many children who have received extra support during their time at Halfway have made expected progress and achieved expected Outcomes and Levels at the end of Foundation Phase and Key Stage 2.

Policies

The Governing Body systematically review all policies that relate to the school, including a School Complaint Procedure. These are available to view on request.

Language Category

This school is an English medium school, lessons and other school activities are communicated through the medium of English.

Welsh is taught as a second language. In the Foundation Phase, bilingualism incorporates the teaching of Welsh through "Welsh Language Development". We aim to provide children with a basic vocabulary, enabling them to converse in Welsh. Initially the lessons are entirely of an oral nature and will also involve learning simple songs and rhymes to reinforce the vocabulary.

As the children mature, and their understanding of the language grows, they are introduced to Welsh in its written form, where they will be encouraged to read and write Welsh as well as improving their oral proficiency. At Key Stage 2 (Year 3 to Year 6) formal teaching of Welsh as a second language takes place, however bilingualism and incidental Welsh is common practice during all lessons. At the end of Key Stage 2 pupils are assessed by their teacher and their level of competency is reported to parents in line with Welsh Government assessment procedures.

Pupils for whom English is a second language are catered for according to their needs with input from appropriate staff.

Access for Disabled Pupils

The governing body is mindful of the requirements of the Disability Discrimination Act (DDA) 1995 and The Special Needs and Disability Act (SENDA) 2005 in ensuring that all pupils and adults have equal access to all areas of the building. The school is committed to ensuring that all pupils are able to participate in the school curriculum and (where they desire) in activities such as after school clubs, leisure/sporting events and educational visits.

Buildings, Health and Safety

The school building is in a good state of repair. Every effort is being made to maintain the quality of the building following the completion of a major refurbishment in January 2011.

The nursery toilets have been completely renovated to a very high standard.

The Health and Safety Governor Sub-committee ensure that the school's Health and Safety Policy is adhered to in order to safeguard the well being of our pupils. This involves inspection of all toilet facilities in order to ensure their cleanliness and suitability, fire fighting equipment and evacuation procedure, first aid provision, and general safety of pupils and staff.

Healthy Life Styles

The development of healthy lifestyles is a high priority for our school. Pupils have access to drinking water throughout the day.

The children take part in a range of activities to ensure that they feel safe. We have a comprehensive PSHE curriculum addressed through class activities, assemblies and circle time.

The school has robust Safeguarding and Child Protection procedures including Safe Recruitment. Staff and a number of Governors have received Child Protection and Safeguarding training.

Staffing

During the academic year, a number of staffing changes have taken place.

Sadly due to ill health Mr. Aled Jones retired. He gave 22 years loyal service to the school and we would like to take this opportunity to thank him for all his hard work and wish him well in his retirement.

Toilets

The school provides sufficient toilets for the number of pupils on roll. These toilets are cleaned on a daily basis

School Holidays

We have many requests from parents regarding future dates for school Holidays. A list of the next academic year's holidays can be found attached to this report.

Community Involvement

The school is aware of the need for a pro-active approach in this field. Activities have included:

- Visits were made by secondary school pupils on work experience, trainee teachers, and students undertaking GNVQ qualifications from local tertiary colleges.
- The school maintains a close liaison with the police through direct educational input on a range of subjects and general visits. These included Staying Safe, Anti Bullying, Anti-Social Behaviour, E-Safety, Drugs Awareness, Stranger Danger and People Who Help us.
- The school choir entertained the pensioners of Dafen at a Christmas Concert, which was held at Dafen Community Hall and at the opening of the Dafen Community Christmas Carnival. They also participated in the Coedcae Prom Concert which was held in the Ffwrnes Theatre.
- School Concerts & performances
 - Christmas Concerts – School Hall
 - Choir events – School Hall
 - Year 6 Shakespeare – ‘Romeo and Juliet’ Ffwrnes Theatre
 - Years 1- 6 – ‘Edith’s Wartime Memories’ Ffwrnes Theatre
- Dafen Church – Children visited the church to participate in the Easter & Christmas Experience project. The vicar and Youth Officer has visited the school on a number of occasions to provide morning assemblies for the children and our school choir participated in a number of Christmas services held in the church.
- Fire Brigade – Year 2 visited the Fire Station, and they visited the school to supervise the conclusion of the Great Fire of London Project. The whole school had a presentation on Fire Awareness and safe evacuation in the home.

Financial donations were also made to the following charities:

- Poppy Appeal
- Sport Relief Day (Red Nose)
- Children in Need
- Macmillan

Visits to the school were made by:-

- LEA Advisory team
- Peripatetic teachers
- School Governors
- Coaches for sporting activities
- Lecturers from the University of Wales Trinity St David & colleges
- Representatives from the Education department
- School Photographer
- Book Fair
- Dyfed Powys Fire Brigade
- Dyfed Powys Police
- Representatives from the local clergy
- Representatives from Techniquet Cardiff

Participation and Achievements

Welsh

The school has achieved the Siarter Iaith Bronze Award. This award recognises the school's efforts in promoting the use and ethos of the Welsh Language both inside and outside the classroom.

Productions

Year 6 took part once again in the 'Shakespeare in School's Festival. This year the production was 'Romeo and Juliet' at the Ffwrnes Theatre. The school was highly commended by the Shakespeare Festival organisers, staff and families on their efforts, especially their Oracy and Drama skills. Nursery to Year 6 took part in a memorable production of 'Edith's Wartime Memories' put on in the Ffwrnes Theatre. This was a fantastic achievement for the whole school and again, all children were highly commended by parents, members of the LEA, families and all staff and Governors of the school for their efforts.

Polar Explorer Programme

Year 5 applied for and participated in this STEM (Science, Technology, Engineering, Maths) project in conjunction with Techniquet Cardiff. This entailed a number of outreach visits by Techniquet and cross-curricular activities undertaken in the classroom. The project concluded with a takeover day at Techniquet where the children took part in a number of activities and also met Richard Parks (former rugby player and now explorer & adventurer), who relayed his experiences of his visits to Antarctica. Following on from this work, the school has gained CREST Science award status.

STEM

Year 5 pupils also took part in the cluster STEM project on 'Bridges'. This involved cross-curricular work in class and a presentation by the children in Coedcae.

First Aid Training

Year 6 children received three training sessions on basic first aid. These included CPR procedures.

Netball

The school team participated in the Urdd and Llanelli netball tournaments.

Rugby

The school team participated in the Urdd and Llanelli rugby tournaments and a number of children from the juniors have participated in rugby festivals which were organised by the rugby development officer.

Congratulations to Mason Stickland and Oscar Reilly, who were selected to play in the Llanelli School Boys team.

Football

The school team participated in the Urdd Soccer Tournament, Llanelli Schools District Tournament and Trostre Football Tournament.

Athletics

Teams participated in the Llanelli Indoor Athletics meeting.

Swimming

Children in Years 4 and 6 received swimming tuition for a three week block at Llanelli Leisure centre.

Bowls

The children from Year 5 had the opportunity to receive tuition from members of the Llanelli Bowls Club at the Selwyn Samuel Centre.

Sports Day

Our sports day was held in the training barn at Parc Y Scarlets. The event proved a great success and was well supported by parents. Nursery held their sports day on the field located behind the school. This again was a great success and well supported by parents.

After School Clubs

The following clubs have been run during the course of the year:
Rugby, Cricket, Netball, Rounders, ECO Club, Clwb Cymraeg, Choir, Drama, IT Club, Ski Club at Pembrey ski slope (a group of 20 children visited the snow dome in Tamworth).

Leaver's Assembly

This year's Leaver's Assembly was an enjoyable and emotional event. All pupils were praised for their efforts and contributions towards the life of Halfway Community Primary School. This year's teacher assessment levels were also commended. The children were presented with a class photograph and a DVD commemorating their time in the school.

PTA

I would once again like to thank the PTA for their hard work organising a number of events this past year. All money raised is being used to purchase resources and equipment for the children. Thank you for your support.

I would also like to thank the teachers for their hard work, congratulate the children for their effort and contribution to life in Halfway, and thank you as parents for your continued support.
